

Camp Hope Covenant 2008

“It is understood that work campers participating in the Camp Hope project will make the following covenant:

1. We will attend the full Camp week from Sunday noon through the following Saturday.
2. We will participate fully in the work projects, activities and worship experiences each day.
3. We will work cooperatively with the staff and the other campers to benefit the homeowner. We will respect the dignity of the people whose homes are being repaired.
4. We will follow all rules established by Camp Hope.
5. We will share the love of Christ with other work campers and the homeowners.
6. We will complete a vesper service.”
