

# Youth and Parent Covenants

---

## Youth Covenant

- I will attend the classes and extracurricular activities of the Confirmation Class. Activities include the Confirmation Class Retreat, ROCK 2009, and other events that will be presented to me the first week of class. When I cannot attend, I will contact one of the teachers to inform them of my absence. Because all the material we will cover and the activities we do are important parts of my Confirmation experience, I will make up any assignments or missed activities, as determined by a pastor or the Director of Youth and Children's Ministry.
- I understand that the Confirmation Class will attend the 10AM worship service together once each month according to the Confirmation schedule. On that Sunday that I attend the 10 AM worship service, I will also attend Confirmation class that will meet from 11:15 to 12:30.
- When it is my turn to participate in worship as an acolyte, cross bearer, or reader I will take my role seriously.
- I will take the class assignments seriously.
- I will be respectful to our Confirmation team, Pastors, to the other members of the Class, and to any guests who may attend a Confirmation class.
- I will be respectful to my parent(s) and my family as I continue to grow in my understanding of what it means to be a Christian.
- I will pray regularly for God to work in my life. I will seek to spend time with God every day.

---

## Parent Covenant

- I understand the importance of the Confirmation classes and activities, and my child will participate in all required activities. If my child is not able to participate for any reason I will discuss this with a pastor or the Director of Youth and Children's Ministries. My child will be required to make up any missed class work or activities, as determined by the pastor or Director of Youth and Children's Ministries.
- I will help my child with the Confirmation assignments.
- I will pray with my child and family at least once weekly.
- I will support my child in his/her faith journey by worshiping with him/her on Sundays.
